A BILL TO INCREASE THE APPROPRIATION FOR DESIGN, ENGINEERING AND CONSTRUCTION OF DUTCHMANS LANE IMPROVEMENTS

WHEREAS, Bill 1129 previously authorized a capital project for the design, engineering, and construction of improvements on Dutchmans Lane; and,

WHEREAS, Bill 1207 authorized an inter-project transfer to reduce the appropriation for road improvements to Dutchmans Lane.

NOW, THEREFORE, BE IT ENACTED BY the County Council of Talbot County, Maryland, as follows:

SECTION 1: The re-design, re-engineering, and construction of improvements on Dutchmans Lane is hereby re-authorized as a capital project. The scope of work includes, but is not limited to, design, engineering, and construction of road improvements from the Windmill Branch stream crossing on Dutchmans Lane to the frontage of Easton Club East. Approval of this capital project includes authorization to expend funds, not to exceed the total amount of the appropriation, for all incidental and customary costs and charges reasonably necessary for design, engineering, construction and completion of the project.

SECTION 2: The Talbot County Council is hereby authorized to expend up to $3,000,000 for re-design, re-engineering, and construction of improvements on Dutchmans Lane. This represents an increase of $700,000 over prior authorizations. The project will be funded by Federal and State grants of approximately $1,000,000, County funds of approximately $444,000, and Development Impact Fees of approximately $1,556,000. The increase is funded by Development Impact Fees of approximately $700,000.
