SECTION 1: The addition of a gymnasium to the Talbot County Community Center is hereby authorized as a capital project. The scope of work includes, but is not limited to, the planning, design, preparation of construction documents and construction and furnishing of a new gymnasium, and the cost of issuance of any bonds needed to finance the project. Approval of this capital project includes authorization to expend funds, not to exceed the total amount of the appropriation, for all incidental and customary costs and charges associated with and reasonably necessary for completion of the project.

SECTION 2: The Talbot County Council is hereby authorized to expend up to $4,000,000 for the project. Borrowing to finance this capital project and the acceptance of federal and State grants for this project is hereby authorized. Approval of this capital project includes authorization to expend funds, not to exceed the total amount of the appropriation, for all associated and incidental and customary costs and charges associated with, and reasonably required for, financing, planning, design, construction, and completion of this project. The project will be funded by federal and State grants of approximately $1,450,000, long-term borrowing of approximately $2,385,000, and approximately $165,000 in funds from the Recreation Fund, including contributions received for the project.

SECTION 3: This Ordinance will take effect sixty (60) calendar days from the date of enactment.
