Board Attorney's Report

Ms. Ryan reported that 2 bills had been approved by the legislature that affect Local Boards of Elections. House Bill 410 addresses the location of polling places. Local Boards of Election, including Talbot Board, opposed the bill on several grounds, including a retroactive provision affect polling place changes made in Talbot County. That provision was amended prior to passage in such a way that Talbot Board may be able to request a waiver of the provisions applying to the consolidation of polling locations implemented for the recent Gubernatorial election. Ms. Ryan summarized the steps needed to apply for the waiver.

Senate Bill 379 addresses the start of canvassing for mail-in ballots and the dates for Early Voting. Ms. Stafford reported that the Talbot Board will be able to comply with the provisions of the bill.

At this point, Mr. Thomas departed the meeting.
