The Board shall be authorized to issue a caterer’s endorsement to holders of a Class B, Class B-F, Class B-R, or Class F-A license who meet the requirements for issuance of the caterer’s endorsement and who are otherwise entitled to renewal of their license.

(3) Hours. The hours during which the privileges conferred by a caterer’s endorsement may be exercised shall be the same as the hours permitted for the class of license.
(4) Requirement to provide food. The holder of a caterer’s endorsement shall provide food as well as alcoholic beverages at catered events.

(5) Location.

(a) The holder of a caterer’s endorsement shall not provide alcoholic beverages at the same location for more than five consecutive days or more than a total of 15 days in any calendar year without first obtaining the written permission of the Board.

(b) The holder of a caterer’s endorsement shall not provide alcoholic beverages at any location which is owned or leased by the license holder or in which the license holder has any financial interest. This subsection shall not be construed as prohibiting catering alcoholic beverages at any legitimate club or fraternal organization to which the license holder belongs or at the holder’s residence.

B. Special festival endorsement

(1) Special festival defined. In this section “special festival” means a special event held on an irregularly scheduled basis for the purpose of promoting wines or beers produced by one or more wineries, vintners or microbreweries.

(2) General provisions. A special festival endorsement shall be issued only to holders of Class A, B, E, or F licenses. The endorsement shall authorize the holder thereof to sell or serve beer or wine by the glass to patrons on the site of the special festival during the specified hours of the event and to sell at retail, in any quantity, to patrons of the event, in sealed packages or containers, which packages or containers shall not be opened nor the contents thereof consumed on the site of the festival. Other provisions of this chapter to the contrary notwithstanding, the holder of a Class A, B, E or F license shall not be prohibited from simultaneously holding a special festival endorsement, if otherwise approved. The Board shall be authorized to utilize an abbreviated procedure for the issuance of a special festival endorsement to holders of a Class A, B, E or F license who are in good standing at the time of the application.

(3) Hours. The hours during which the privileges conferred by a special festival endorsement may be exercised shall be the same as the hours permitted for the class of license.

(4) Limits on number of endorsements. A special festival endorsement shall not be issued for more than two consecutive days, and no more than four endorsements shall be issued to a license holder in any calendar year.

§ 11-7 Special and temporary licenses

A. Special beer and light wine license, Class H (on-sale), seven days

(1) General provisions. A Class H special beer and light wine license shall entitle the holder thereof to keep for sale and sell beer and light wine, at retail, at the place described in the license, in conjunction with any bona fide entertainment conducted by a club, society, association or church, for consumption on the premises only, for a period not exceeding seven consecutive days from the effective date of the license. The Board shall be authorized to utilize an abbreviated procedure for the issuance of a Class H license.

(2) Hours. The hours during which the privileges conferred by a Class H license may be exercised shall be from 10:30 a.m. to 12:00 midnight each day; provided, however, that the sale and consumption of beer and light wine shall be restricted to a period of time beginning two hours before the scheduled entertainment and concluding one hour after said entertainment.

B. Special beer, wine and liquor license, Class J (on-sale), seven days

(1) General provisions. A Class J special beer, wine and liquor license shall entitle the holder thereof to keep for sale and sell all alcoholic beverages, at retail, at the place described in the license, in conjunction with any bona fide entertainment conducted by a club, society, association or church, for consumption on the premises only, for a period not exceeding seven consecutive days from the effective date of the license. The Board shall be authorized to utilize an abbreviated procedure for the issuance of a Class J license.
C. Disposal-of-stock license (10 days)

A disposal-of-stock license of any class shall entitle the holder thereof to exercise the privileges of the class of license for a period not exceeding 10 consecutive days, for the purpose of disposing of the license holder’s stock of alcoholic beverages, in cases where a license has been revoked, canceled, suspended or renewal denied. A disposal-of-stock license shall authorize the sale of the license holder’s stock at retail or to one or more holders of wholesale licenses, and such holders of wholesale licenses are hereby authorized to purchase such stock. The holder of a disposal-of-stock license is not authorized to purchase alcoholic beverages for the purpose of resale under this license.

D. Temporary removal license

A temporary removal license of any class shall entitle the holder thereof to temporarily move the licensed premises from one location to another, when the relocation is necessitated by fire or other catastrophe. The privileges of a temporary removal license may be exercised while the originally licensed premises are being restored, for a period to be established by the Board, but not to exceed six months. No fee shall be charged for a temporary removal license, provided that any renewal fees which are due during the continuance of the license are paid on time. The Board shall be required to approve, as in the case of the original application, the new location to which the license holder temporarily relocates.

§ 11-8 General provisions on issue of licenses

A. License requirements for corporation, limited liability company, partnership, club or association

(1) A license application made for a corporation, limited liability company, partnership, club or other association (whether incorporated or unincorporated) shall also be applied for by and shall be issued to two or more individuals who are authorized to act for the entity and who are officers, directors, stockholders or employees of the corporation; members or employees of the limited liability company; partners of the partnership; or officers, directors or members of the club or association. If an entity has a sole owner, only that individual shall be required to apply for and be issued a license. The individual license holders shall be residents of Talbot County or a contiguous county. The application shall also set forth the names and addresses of all of the directors and officers of a corporation, club or association, all of the members of a limited liability company, or all of the partners of a partnership and shall be signed by the appropriate officers of the entity, as well as by the two or more individuals to whom the license shall be issued for the use of the entity. Every application for a license shall disclose the name, all trade names and all addresses of the corporation, limited liability company, partnership, club or association, as well as the name and business and home address of the individual applicants.

(2) The individual license holders and the corporation, limited liability company, partnership, club or association shall assume all responsibilities, individually, jointly and severally, and shall be subject to all of the penalties, conditions and restrictions imposed upon license holders under the provisions of this chapter.

B. No more than two licenses for same person

No more than two licenses provided by this chapter, except by way of renewal, shall be issued to any individual or to any person for the use of any corporation, limited liability company, partnership, club or association.

C. Zoning restrictions

No license provided by this chapter shall be issued or utilized in a manner which will result in a violation of any zoning ordinance or other statutory land use restriction of the County or the incorporated municipality in which the place of business proposed to be licensed is located. No new license shall be issued for any use not specifically provided in this chapter.
878 To the extent of any inconsistency between the
definitions of use in this chapter and any land-
use ordinance, the definitions that are more
restrictive or stringent shall prevail.

882 D. Restriction upon off-sale licenses, market-test, grandfathering

884 (1) New off-sale licenses shall be issued
only to alcohol dispensaries, alcohol
dispensary bistros, supermarkets, restaurants,
cafes, hotels, and convenience stores.

888 (a) Notwithstanding the limitation in Para-
graph D. (1) on issuance of new off-sale
licenses, any holder of an off-sale license,
except for any pharmacy, that was
lawfully issued and validly existing on the
effective date of this ordinance shall be
entitled to renew the same at the existing
location provided that all such applica-
tions for renewal otherwise comply with
all then-existing ordinances, laws, and
regulations, as amended from time to
time. Pharmacies shall be governed by the
provisions in § 11-5 A. (4) and (5).

901 (b) Notwithstanding the limitation in Para-
graph D. (1) on issuance of new off-sale
licenses, a gas station for which a Class A
off-sale beer and light wine license had
been issued, but which is no longer in full
force and effect on the effective date of
this ordinance due to voluntary non-
renewal, may re-apply for a new Class A
license for the same location at any time
within one (1) year after the effective date
of this ordinance.

912 (2) Except for Class A licenses for super-
marts and Class I licenses for alcohol
dispensary bistros issued to the holder of a
Class E license to replace the Class E license,
off-sale licenses are subject to the following
requirements. The Board shall limit and
restrict the number of new off-sale licenses as
set forth in this section.

920 (a) The Board may issue a new off-sale
license if the total population within the
service area equals or exceeds 750
persons for all existing off-sale licenses
and the newly proposed license.

925 (b) The service area shall be determined as
follows:

927 i. For a proposed urban location, the
service area shall include all census
blocks within a radius of two (2)
miles from the site of the proposed
new license;

932 ii. For a proposed rural location, the
service area shall include all census
blocks within a radius of five (5)
miles from the site of the proposed
new license.

937 (3) All census blocks in Talbot County from
the most recent decennial census within,
intersected by, or touching the service area
shall be used to determine the total
population within the service area.

942 (4) For purposes of this section, an urban
location is a proposed site within a
municipality and a rural location is a
proposed site outside a municipality.

947 (5) The formula for determining whether a
new off sale license may be issued is:

\[ R = P - (750 \times N) \]

where:

951 R -- Remainder (must be equal to or
greater than 750 for new off-sale
license).

955 P -- Total population within service area.

959 N -- Total number of existing off-sale
licenses, (Class A, B-R, D, E, and
F) within the service area,
excluding the proposed new off-
sale license and excluding existing
Class A licenses for supermarkets.

960 (6) New off-sale licenses shall be at least
500 feet from public or private schools,
public parks, and correctional facilities.
Licensees holding off-sale licenses lawfully
issued and validly existing on the effective
date of this ordinance shall be permitted to
renew and maintain such licenses at existing
locations provided that all such applications
for renewal otherwise comply with all then-
existing ordinances, laws, and regulations, as
amended from time to time.

972 (7) In addition to the requirements of this
section, an applicant for a new off-sale
license must meet all other applicable criteria.
§ 11-9 License application filing requirements

Every application for a new license shall be made to the Board and shall be accompanied by the specified application and license fees. The application shall contain the following:

A. The class of license desired.
B. The name and residence of each individual applicant and how long each has resided at the stated address and the name and address of any entity on behalf of which the individual applicants seek a license.

A statement that none of the individual applicants have ever been convicted of a felony or of a misdemeanor involving moral turpitude and a further statement as to whether any of them have ever been adjudged guilty of violating the laws governing the sale of alcoholic beverages, controlled dangerous substances, or gambling in the State of Maryland, any other state, or of the United States or any foreign country. The Board shall have the authority to obtain criminal records on any applicant for an alcoholic beverage license prior to the issuance of the license and the applicant, as part of the application, shall provide whatever consents, authorizations, or releases of information are necessary for this purpose.

I. A statement that each individual applicant has a pecuniary interest in, employment relationship with, or is authorized to act on behalf of the entity seeking the license, including the nature of each applicant’s relationship to any entity having an interest in the business.

N. A statement, duly executed and acknowledged by the owner of the premises upon which the business is to be conducted, assenting to the granting of the license applied for and authorizing the Comptroller of the State of Maryland, his duly authorized deputies, inspectors and clerks, the Talbot County Board of Liquor License
§ 11-10 Procedure for issuance of licenses

A. General provisions

(1) Published notice. Before the Board shall approve any new license, the Board shall cause a notice of such application to be published once a week for two successive weeks in a newspaper of general circulation in Talbot County. The notice shall specify the names of the individual applicants and any entity they represent, the type of license applied for and the location of the place of business proposed to be licensed as well as the date, time and location fixed by the Board for a hearing upon the application. The hearing shall be not less than seven days nor more than 30 days after the last publication.

(2) Posting of property.

(a) Whenever a hearing upon a license application is scheduled, the place of business proposed to be licensed shall be posted at least 15 days prior to the hearing date by the erection of a sign to be furnished by the Board. Such sign shall be erected by the person(s) making application, within ten feet of whatever boundary line of the property abuts the most traveled public road and, if no public road abuts thereon, then facing in such a manner as most readily may be seen by the public, as designated by the Board. The bottom of the sign shall not be less than three feet from the ground. The sign furnished by the Board shall not be less than two feet high and two feet wide, and shall bear the words: NOTICE - APPLICATION HAS BEEN MADE FOR A LIQUOR LICENSE AT THIS LOCATION, Talbot County Board of Liquor License Commissioners (410) 770-8019.

(b) At the hearing, it shall be the duty of the applicant to prove by affidavit that he has fully complied with this provision and has continuously maintained the sign in compliance with this provision up to the time of the hearing. Any sign required to be posted by this provision shall be maintained in a visible location and free from obstruction until after the public hearing is held, and such sign shall be removed within five days after the public hearing.

(3) Notice to local jurisdiction and adjacent property owners. Whenever a hearing upon a
license application is scheduled, the Board shall give at least 15 days’ notice of the time and place of such hearing to be mailed by regular United States mail, first class postage prepaid, to the applicant, to the governing body of the local jurisdiction in which the place of business proposed to be licensed is located, and to the owners of all property contiguous to the place of business proposed to be licensed and of all properties opposite said property measured at right angles to any intervening road or street. It shall be the responsibility of the applicant to furnish the Board with a complete, accurate and up-to-date list of all such property owners. The notice shall be directed to the address to which the real estate tax bill on the property is sent. The notice shall contain the same information as the published notice required in Subsection A(1) hereof. For purposes of this section the term “contiguous property owner” is to include owners of property within 1,000 feet of the subject property, whose line of sight to the subject property is entirely over water. Failure of a person to receive the notice prescribed in this section shall not impair the validity of the hearing.

Hearing. At the time fixed by the notice for a hearing upon an application or upon the continuance of any such hearing, the individual applicants and representatives of the entity seeking a license shall have the first opportunity to be heard by the Board and to present evidence to the Board; provided, however, that the Board may stipulate that after the expiration of a reasonable predetermined amount of time the applicant’s presentation may be interrupted to permit opponents an opportunity to be heard. Thereafter, any interested person in attendance shall be heard by the Board on either side of the question. The applicant shall have the final opportunity to address the Board at the conclusion of all testimony or evidence. The Board shall make an adequate record of its proceedings so as to permit judicial review. The costs of reproduction of the record shall be borne by the person seeking the copy.

Findings.

(a) If the Board determines that the granting of the license is not necessary for the accommodation of the public, or that the applicants are not fit persons to receive the license applied for, or have made a material false statement in the application, or have practiced fraud in connection with said application, or that the operation of the business, if the license is granted, will unduly disturb the peace of the residents of the neighborhood in which the place of business is to be located, or the applicant for an off-sale license does not satisfy the requirements of § 11-8 D, or that there are other substantial reasons in the discretion of the Board why the license should not be issued, then the application shall be disapproved and the license applied for shall be refused. If no such findings are made by the Board, then the Board shall approve the application and issue the license upon the applicant’s payment of the required fee.

(b) Within 30 days of the conclusion of the hearing, the Board shall issue a written decision setting forth its factual determinations, its decision concerning the license in question, and the basis for its decision.

(c) Any person aggrieved by the decision of the Board who appeared at the hearing before the Board shall have 30 days after the issuance of the Board’s decision to appeal the decision to the Circuit Court for Talbot County.

B. License and application fees

The license and application fees applicable to each class of license shall be established by the County Council of Talbot County in the Annual Budget and Appropriation Ordinance. All fees collected under this chapter shall be remitted to the Talbot County Finance Office. The salaries of the Board, together with the necessary office, clerical and investigational expenses of the Board, shall be paid by the County Council, as approved in the Annual Budget and Appropriation Ordinance adopted by the County Council. The balance of all fees revenue collected under this chapter, which is not expended on the approved salaries and expenses of the Board, shall be devoted to the general purposes of the County as approved by the County Council.

C. Refund of license fees

No holder of any class of license shall be entitled to a refund of the unused portion of
1276 the fee paid for a license upon surrender thereof, except:
1277
1278 (1) In the event of receivership or
1279 bankruptcy of the business if a transfer is not
1280 requested, and in such case the refund shall be
1281 made for the benefit of the creditors of the
1282 license holder;
1283
1284 (2) In the event of the death of the license
1285 holder, and in such case the refund shall be
1286 made for the benefit of the estate of the
1287 deceased license holder;
1288
1289 (3) In the event that the license holder has
1290 volunteered for or been called into the Armed
1291 Forces of the United States;
1292
1293 (4) In the event that a license holder of one
1294 class surrenders the license and obtains a
1295 license of another class carrying a higher fee,
1296 in which case, the refund shall be deducted
1297 from the amount of the fee to be paid for the
1298 newly obtained license; or
1299
1300 (5) In the event that the licensed premises
1301 are taken by the federal government, the state
1302 or any city or municipality for public use.
1303
1304 D. License forms; date of issue and
1305 expiration
1306 Only licenses authorized under the provisions
1307 of this chapter may be issued by the Board.
1308 Every license issued shall be upon forms
1309 prescribed by the Board. Each license shall be
1310 dated as of the date of issue and shall expire on
1311 the April 30 next after its issuance, except
1312 temporary licenses and special licenses, which
1313 shall expire as otherwise provided.
1314
1315 E. Pro-rata license fees
1316 The fee for every license issued for a period of
1317 less than one year (except temporary or special
1318 licenses) shall be subject to the annual fee if
1319 issued during the first three months of the
1320 license year; 3/4 of the annual fee if issued
1321 during the second quarter of the license year;
1322 1/2 of the annual fee if issued during the third
1323 quarter of the license year; and 1/4 of the
1324 annual license fee if issued during the fourth
1325 quarter of the license year.

1326 F. Successive applications
1327
1328 If a license is refused, no application for the
1329 same license shall be considered from the
1330 same applicant for the same premises for a
1331 period of one year.

1332 § 11-11 General procedures for renewal of
1333 licenses

1334 A. Application for renewal
1335
1336 The holder or holders of any expiring license
1337 other than special licenses issued under the
1338 provisions of this chapter shall, not less than
1339 30 nor more than 90 days before the first day
1340 of May of each year, file a written
1341 application, duly verified by oath, for the
1342 renewal of the license with the Board. The
1343 renewal application shall state either that the
1344 facts in the original application are
1345 unchanged or shall clearly and completely
1346 identify all such changes, based on which the
1347 Board may, in its discretion, treat the renewal
1348 application as a new application. The renewal
1349 application shall be accompanied by a
1350 statement, signed by the owner of the
1351 premises, consenting to the renewal of the
1352 license and to search and seizure as in the
1353 case of the original application. A statement
1354 of consent shall not be required if the owner
1355 has previously signed such a statement in
1356 connection with an original application or
1357 previous renewal application giving consent
1358 for the term of the owner’s lease with the
1359 applicant. Upon the filing of the renewal
1360 application and the payment of the prescribed
1361 annual fee, the holder or holders of an
1362 expiring license shall be entitled to a new
1363 license for another year without the filing of
1364 further statements or the furnishing of any
1365 further information, unless such information
1366 is specifically requested by the Board.

1367 Renewal licenses shall be administratively
1368 approved without a hearing before the Board,
1369 unless a protest signed by not less than 10
1370 residents or property owners in the County
1371 election district in which the licensed place of
1372 business is located has been filed against the
1373 granting of a renewal license at least 30 days
1374 before the expiration of the license for which
1375 renewal is sought. The Board may, upon its
1376 own initiative, after notice to the applicant,
1377 treat a renewal application as an original
1378 application. In the event of a protest or in the
1379 event that the Board determines, in the
exercise of its discretion, to treat a renewal
application as an original application, then
the application shall be heard and determined
as in the case of an original application. In
such cases, the Board may consider evidence
concerning the impact of the licensed
establishment upon the peace and repose of
the community. A factual finding, based upon
clear and convincing evidence that the
licensed establishment has significantly and
regularly intruded upon the peace and repose
of the neighboring property owners so as to
have a deleterious impact upon the public
health, safety and welfare, shall be a
sufficient basis for denial of the renewal
application or the limitation of the hours of
operation of the license holder by the Board.

B. At the time of renewal of either a Class C or
a Class G license, the individuals listed as
holding the license on behalf of a club may,
at the discretion of the Board, be deleted, or
the names of additional individuals may be
added to or substituted for any or all of the
original license holders without the necessity
of filing a formal application for transfer;
provided, however, that the proposed license
holders are otherwise qualified, and further
provided that the President or Chief
Executive Officer of the club shall certify that
the individuals are authorized to act on behalf
of the club. When a renewal application
contains a request to add, delete or substitute
individual license holders, the Board may
approve the application, or require the filing
of an application for transfer as provided in
§ 11-12C hereof.

C. The procedural rules for a renewal hearing
shall follow those set forth in § 11-10A
hereof. Any person aggrieved by the decision
of the Board who appeared at the renewal
hearing before the Board shall have 30 days
after the issuance of the Board’s decision to
appeal the decision to the Circuit Court for
Talbot County.

§ 11-12 Rights and duties of license holders

A. License not property

Licenses issued under the provisions of this
chapter shall not be regarded as property or as
conferring any property rights. All such
licenses shall be subject to suspension,
restriction or revocation and to all rules and
regulations that may be adopted as herein
provided.

B. Duplicates for lost licenses

Whenever a license issued under the
provisions of this chapter has been lost or
destroyed, the official issuing such licenses
shall have the power, upon application under
oath and upon payment of a fee of $10, to
issue another license, upon which shall be
endorsed the word “duplicate” in addition to
all of the information which appeared upon the
original license.

C. Transfer of licenses

(1) General procedure.

Any holder of a license under the provisions of
this chapter, including a receiver or trustee for
the benefit of creditors, may, in the discretion
of the Board, be permitted to transfer his place
of business to some other location and/or
transfer his stock-in-trade to another person,
provided that an application for such transfer
and/or sale shall be made and approved by the
Board, and that a bulk transfer permit is
obtained where the stock of alcoholic
drinks is to be transferred, whether by sale,
gift, inheritance, assignment or otherwise and
irrespective of whether or not consideration is
paid. Except as provided in Subsection C(2)
hereof or in § 11-11, the new location and/or
assignee shall be approved as in the case of an
original application for a license. Such transfer
and/or assignment, when made, shall be
reflected in the issuance of a new license or
endorsed upon the original license by the
official issuing the same upon payment of a
fee of $10, in addition to the application fee,
which shall be paid at the time of the filing of
the application for transfer and/or sale. This
section shall permit the transfer of class of
license, location and the assignment of license
in the same application.

(2) Addition, deletion or substitution of
license holders.

When the entity which owns the business and
the location of the business for which a license
has been issued are to remain the same, no
more than two, but less than all, of the persons
listed on the license may be deleted and other
persons may be substituted therefor by the
substitution of an application for review by the Board. The Board may provide a special application form for this purpose, which shall solicit all of the information relating to the new applicant which would be required of an original applicant, require the approval of the owners of the premises, require the certificate provided in §11-8A, and require the consent of all license holders and of the persons whose names are to be added to the license. Additional persons may be added to those persons already listed on the license, and persons listed on the license may be deleted therefrom, in the manner provided herein, provided that the minimum number of persons required for said license shall be maintained. The Board may, in its discretion, either administratively approve said application, or cause notice of the application to be published and a hearing to be conducted as in the case of an original application.

D. License holder vacating premises

On the 10th day after the holder of any license issued under the provisions of this chapter shall have vacated or been evicted from the premises for which said license was issued, said license shall expire unless an application for a transfer thereof to another location or assignment to another person has been approved or is then pending; provided, however, that the official authorized to issue licenses may, in his discretion, postpone such expiration for an additional period, not exceeding 20 days in any case, to avoid any undue hardship.

E. Display of licenses

Every person receiving a license under the provisions of this chapter shall frame the license under glass and place the framed license so that it shall at all times be conspicuous and easily read in the place of business.

F. Availability of ordinance

Every license holder shall keep a copy of this chapter in an area in the licensed premises where it is easily accessible for reference when necessary. It is the responsibility of the license holder to ensure that all employees or agents of the license holder are advised of the provisions of this chapter. The Board shall provide to each license holder on an annual basis either a complete copy of the current version of this chapter, or at their election, a copy of only those sections that have been amended during the previous year. [Amended 4-13-1999 by Bill No. 704]

G. Death of license holder

(1) Upon the death of an individual license holder, the license shall expire upon the close of the 90th day following the date of death except as herein otherwise provided. In cases where the deceased is the proprietor of the licensed premises, upon application to the Board and upon the payment of a fee of $10 made by the personal representatives of the deceased license holder, a certificate of permission may be granted for the continuation of the business in the name of the personal representatives for the benefit of the estate of the deceased for a period not exceeding the balance of the current license year, or the closing of the estate, whichever occurs first. In the event the estate has not been closed upon the expiration of the license year, the personal representatives may apply for renewal of the license, and upon payment of the required annual license fee, a renewal license may be granted; provided, however, that no application for a renewal license hereunder may be made more than 18 months after the death of the license holder. Such certificates of permission and renewal licenses will be subject to the right of protest, revocation, suspension, and restriction as in other cases, and during the continuation period, the license holder and the personal representative of the deceased shall be subject to all of the provisions of this chapter. The personal representatives to which a certificate has been granted may assign or transfer the license for the benefit of the estate, and upon the approval of the application for the transfer or assignment, the license shall be considered reinstated upon the payment of the balance of the license fee which is due until the expiration of the license year.

(2) If the licensed premises are operated for the benefit of a corporation, limited liability company or partnership, another individual license holder may be substituted for the deceased upon the filing of an application as provided for herein, and the premises may
continue to sell alcoholic beverages pending approval of the new license holder.

(3) An application for substitution of another license holder for the deceased license holder shall be made within 90 days of the date of death. Upon the filing of such an application, and until a decision is made and issued as provided herein, the license shall continue in full force and effect, subject to all other provisions of this chapter.

§ 11-13 Restrictions upon license holders

A. General provisions

License holders are required to comply with all applicable provisions of this chapter and with all provisions of state law applicable to Talbot County by virtue of § 11-20 of this chapter, Article 2B, § 18-101, Annotated Code of Maryland, or Article 25, § 3(ee), Annotated Code of Maryland. Violation of any such provision is a misdemeanor, and in addition to any criminal penalty, may result in administrative sanctions including revocation or suspension of any license issued pursuant to this chapter or the imposition of a fine, or any combination thereof.

B. Service by minors restricted

(1) No license holder shall allow a person to act in the capacity of a bartender who is not at least 21 years of age. For the purposes of this section, a “bartender” is any person who mixes or pours drinks for consumption on the licensed premises.

(2) No license holder shall allow a person to act in the capacity of a waitor or waitress who is required to take orders for alcoholic beverages unless said waiter or waitress is at least 18 years of age.

(3) No license holder of a beer and light wine license shall allow a person to act in the capacity of a sales clerk authorized to sell or offer for sale beer or light wine at retail who is not at least 18 years of age.

(4) No license holder of a beer, wine and liquor license shall allow a person to act in the capacity of a sales clerk authorized to sell or offer for sale beer, wine or liquor at retail who is not at least 21 years of age.

C. Sales to minors and intoxicated persons prohibited

(1) No license holder under the provisions of this chapter or any of the license holder’s employees or agents shall sell or furnish any alcoholic beverages at any time to any person except in conformance with the age limitations as established from time to time by the State of Maryland.

(2) No license holder or any of the license holder’s employees or agents shall sell or furnish any alcoholic beverages to any person who at the time of such sale or delivery is visibly under the influence of any alcoholic beverage.

(3) A violation of this section by an employee or agent of a license holder shall be deemed a violation by the license holder, who shall be responsible for all alcoholic beverage sales in or upon the licensed premises.

D. Noise regulations

The Board may regulate the time and noise level of the playing of mechanical music boxes, live music, and sound-making devices that are used on licensed premises where the sound disturbs the peace, tranquility, safety, and health of the surrounding neighborhood.

E. Slot machine restriction

The Board shall be prohibited from issuing a license under the provisions of this chapter to any entity at any place at which one or more slot machines are located, maintained, or operated, unless the entity is a fraternal, religious or veterans nonprofit organization with a license to operate the slot machine(s) issued by the Sheriff of Talbot County.
F. Alcohol Awareness Training

All employees involved in the sale of alcoholic beverages shall successfully complete training in an Alcohol Awareness Program within one hundred eighty (180) days of the date of hire. The Liquor Inspector may grant an extension not to exceed sixty (60) days for Licensees with less than three (3) employees whose businesses would suffer undue hardship, due to circumstances beyond the Licensee’s reasonable control. Any request for a waiver must be submitted in writing within thirty (30) days and contain all grounds in support of the request.

(1) For purposes of this section, “Approved Alcohol Awareness Program,” has the meaning and is subject to the requirements and time limitations set forth in Article 2B § 13-101, Md. Ann. Code, as amended from time to time.

(2) Nothing in this section relieves the licensee from compliance with any other applicable State requirements regarding alcohol awareness training.

(3) This section may not be construed to create or enlarge any civil cause of action or criminal proceeding against a licensee.

(4) Penalties. The Board shall impose the following penalties on any licensee who violates this section within any seven (7) year period:

(a) 1st offense, $50.00 fine;

(b) 2nd offense, $200.00 to $500.00 fine;

(c) 3rd offense, 2-5 day suspension; and,

(d) 4th or subsequent offense, 10-30 day suspension.

§ 11-14 Revocation and suspension of licenses

A. General provisions

(1) Any license issued under the provisions of this chapter may be revoked or suspended by the Board for any cause which in the judgment of the Board is necessary to promote the peace or safety of the community in which the place of business is situated. A license may be revoked or suspended, and/or a fine imposed by the Board based upon, but not limited to, any of the following findings:

(a) Conviction of the license holder for violation of any of the provisions of this chapter or of applicable state law regulating the retail sale of alcoholic beverages.

(b) Any finding of fact in a criminal proceeding that would be sufficient to sustain a judgment or verdict of guilt for any violation of this chapter or applicable state law regulating the retail sale of alcoholic beverages, regardless of whether that finding is stricken and probation before judgment is granted.

(c) Failure or refusal of any license holder to comply with any provisions of this chapter or any applicable state law, or any rule or regulation that may be adopted pursuant to this chapter.

(d) The making of any material false statement in any application for a license.

(e) A conviction of one or more of the clerks, agents, or employees of a license holder for the violation of any of the provisions of this chapter or applicable state law on the licensed premises.

(f) A finding by the Board that one or more of the clerks, agents, or employees of a license holder violated any of the provisions of this chapter or of applicable state law on the licensed premises.

(g) Three or more violations of any provision of Chapter 159, Article I, Talbot County Code, Smoking. For purposes of this subsection, the Board may not amend, modify, or decline to impose the requisite suspension upon any licensee for the period designated in § 159-9C(2) following a determination that the requisite violations have occurred. [Added 2-3-2004 by Bill No. 934]

(2) For purposes of this section a conviction is deemed to have occurred whenever a person accused of a crime pleads guilty or nolo contendere or is found guilty of an offense.
Chapter 11, Talbot County Code, "Alcoholic Beverages"

(3) The following shall each be prima facie evidence of a violation:

(a) A sale or delivery of an alcoholic beverage by a license holder before or after the hours during which the privileges conferred by the applicable license may be exercised.

(b) An open container holding more than a trace of an alcoholic beverage, prior to or more than 30 minutes after the hours during which the privileges conferred by the applicable license may be exercised.

(c) Live entertainment or playing of electronic entertainment other than during the hours in which the privileges conferred by the applicable license may be exercised.

(d) Presence of person(s) on the premises prior to or more than 30 minutes after the hours during which the privileges conferred by the applicable license may be exercised, other than by those listed below:

[1] The owner, license holder or their agents or employees actually engaged in cleaning or preparing for the next day’s operation.

(e) The sale, delivery or furnishing of an alcoholic beverage by a license holder, clerk, agent or employee of a license holder to a minor on the licensed premises.

B. Procedure for revocation or suspension

(1) The Board may, on its own initiative, or upon complaints by local citizens, or upon a complaint by the State’s Attorney, any peace officer, or the County Health Officer, revoke or suspend any license issued under the provisions of this chapter or impose a monetary fine upon any license holder, or both. Such action shall not be taken until the Board has conducted a hearing upon the complaint, notice of which shall be mailed or delivered to the license holder at least 10 days before the hearing. Revocation or suspension hearings shall be conducted pursuant to § 11-10A of this chapter, except that the notification provisions thereof shall not apply. In addition, in a hearing under this section, the person or entity making the complaint to the Board shall be the first to present evidence to the Board; the license holder shall then present its evidence, to be followed by any further evidence to be presented by the complainant.

The Board may permanently revoke or suspend a license for any period, or impose a fine, at its discretion, upon a finding that any provision of this chapter or any applicable state law has been violated, or upon a finding based upon clear and convincing evidence that the continued licensing of the premises in question constitutes a danger to the public health, safety, or welfare.

Within 30 days of the hearing, the Board shall issue its decision, setting forth its findings, determination of any violations, and imposition of any penalty, sanction or fine. If no decision is issued by the Board within 30 days of the hearing, a finding of "no violation" shall result.

§ 11-15 Violations and penalties

A. Any person or license holder violating the provisions of this chapter shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine of not more than $1,000 or to imprisonment for not more than six months, or to both such fine and imprisonment; provided, however, that if applicable state law provides a greater penalty, the penalty provided by state law shall prevail.

B. Anyone charged with selling or furnishing alcoholic beverages to a person not of legal age in violation of § 11-13C shall be found not guilty of said violation if such person establishes to the satisfaction of the jury, or the court sitting as a jury, that he used due caution to establish that such person was of legal age to purchase or be supplied alcoholic beverages. The granting of probation before judgment to a license holder or employee or agent of a license holder for any alleged violation of this chapter or applicable state law does not bar the Board from proceeding against the license holder for the violation.
C. In lieu of suspending or revoking an alcoholic beverages license pursuant to the terms of this chapter, the Board may hold any suspension in abeyance and impose a fine for any violation of this chapter subject to the following conditions:

1. The Board determines that the public welfare and safety will not be impaired by allowing the license holder to operate during the suspension period and that payment of the fine will achieve the desired disciplinary purposes.

2. The fine assessed by the Board under this subsection shall not exceed $1,000 for each violation.

3. All moneys collected under this subsection shall be deposited into the general funds of Talbot County.

4. The Board shall have promulgated such rules and regulations as it deems necessary to carry out the purposes of this subsection including any conditions to be imposed on the license holder as a condition of holding any such suspension in abeyance.

§ 11-16 Bottle club restrictions; drive-through sales

A. It shall be unlawful in Talbot County for any bottle club to sell, serve, give, dispense, keep or allow to be consumed on its premises, or on premises under its control or possession, any alcoholic beverages, setups or other component parts of mixed alcoholic drinks. As used in this subsection, the term “bottle club” shall mean any club which serves, sells, gives, or dispenses alcoholic beverages to its members or guests, or which keeps for its members or guests any alcoholic beverages, or which allows to be consumed on its premises any alcoholic beverages, by its members or guests, which beverages have been reserved or purchased by the members or guests; or any club at which patrons are served, given, or allowed to consume alcoholic beverages after legal closing hours from any supplies that the patrons have previously purchased or reserved; or any club that sells, dispenses, serves, keeps, or allows to be consumed any setups or other component parts of mixed alcoholic drinks to its members or guests.

B. Drive-through sales prohibited. A licensee shall not sell, offer to sell, or dispense alcoholic beverages for off-premises consumption through a facility commonly known as a “walk-up” or “drive-through” window. [Added 4-13-1999 by Bill No. 705]

§ 11-17 Enforcement

A. Notification requirements

To aid in the enforcement of this chapter, it shall be the responsibility of all law enforcement personnel, including members of the Maryland State Police, the Talbot County Sheriff’s Department, the Talbot County State’s Attorney’s Office, the Natural Resources Police, and each of the municipal police departments in Talbot County, to notify the Board of any violation citations issued to any license holder under the provisions of this chapter, within 48 hours of the issuance of the citation. The Board shall notify law enforcement personnel, including members of the Maryland State Police, the Talbot County Sheriff’s Department, the Talbot County State’s Attorney’s Office, the Natural Resources Police, and the appropriate municipal police department, of any license issued under the provisions of this chapter which is revoked or suspended, or of any fines which are imposed for a violation of this chapter.

B. Chemical test report

For the purpose of establishing that physical evidence in a criminal proceeding or administrative hearing under the provisions of this chapter contains or constitutes alcohol or an alcoholic beverage, a report signed by the chemist or analyst who performed the test or tests as to its nature is prima facie evidence that the material delivered to him was properly tested under procedures approved by the Department of Health and Mental Hygiene, that those procedures are legally reliable, that the material was delivered to him by the officer or person stated in the report, and that the material was or contained alcohol, without the necessity of the chemist or analyst personally appearing in court, or at any hearing, provided the report identifies the chemist or analyst as an individual certified by the Department of Health and Mental Hygiene, the Maryland State Police Department, the Baltimore City Police Department, or any
D. Presence of chemist or analyst at criminal proceeding

(1) In a criminal proceeding under the provisions of this chapter, the prosecution shall, upon written demand of a defendant filed in the proceedings at least five days prior to a trial in the proceeding, require the presence of the chemist, analyst, or any person in the chain of custody as a prosecution witness.

(2) The provisions of § 11-17B and C concerning prima facie evidence do not apply to the testimony of that witness. The provisions of §§ 11-17 B and C are applicable in a criminal proceeding only when a copy of the report or statement to be introduced is mailed, delivered, or made available to counsel for the defendant or to the defendant personally when the defendant is not represented by counsel, at least 10 days prior to the introduction of the report or statement at trial.

(3) Nothing contained in this section shall prevent the defendant from summoning a witness mentioned in this section as a witness for the defense.

(4) At an administrative proceeding, the reports described in Subsections B and C above shall be prima facie evidence without the presence of the chemist, analyst, or any person in the chain of custody. Nothing in this section prevents the license holder or any other party from summoning the chemist, analysts or any other person in the chain of custody.

E. Physical evidence. For the purpose of establishing that physical evidence in a criminal proceeding or an administrative hearing under the provisions of this chapter contains or constitutes alcohol, a sealed container in its original unopened condition which has a label which states that it contains alcohol or is an alcoholic beverage is prima facie evidence that the contents of the container are or include alcohol or an alcoholic beverage.

(2) The decision approving, suspending, revoking, restricting, or refusing to approve, suspend, revoke or restrict any license or licensee shall be subject to appeal in the manner provided in this section.

B. Who may appeal

A licensee, a license applicant, or a group of not less than 10 persons who reside in Talbot County may appeal a final decision of the Board to the Circuit Court if the licensee, license applicant, or the group is aggrieved by the decision and has appeared at the hearing of the Board either:

(2) By the submission of a written document that was introduced at the hearing.

C. Court costs

The Clerk of the Circuit Court, before docketing an appeal, shall first collect, from the person or persons so appealing, all court costs and a statement from the Board that the costs for getting records and transcripts of proceedings of the hearing before the Board have been paid. Costs may not be assessed against the Board.

D. Scope of appeal

(1) Upon the hearing of such appeal, the action of the Board shall be presumed by the court to be proper and to best serve the public interest. The burden of proof shall be upon the petitioner to show that the decision complained of was against the public interest and that the Board’s discretion in rendering its decision was not honestly and fairly exercised, or that such decision was arbitrary, or procured by fraud, or unsupported by any substantial evidence, or was unreasonable, or that such decision was beyond the powers of the Board and was illegal. However, unless and until the Talbot County Council enacts a law which is contrary to a provision of the Code of Public General Laws regulating the retail sale of alcoholic beverages, the provisions of the Code of Public General Laws shall remain in effect.
