Zoning Certificate

- A zoning certificate is required prior to construction of an above ground pool in Talbot County. A zoning certificate application may be obtained from the Talbot County Department of Permits and Inspections located at 215 Bay Street, Suite 3, Easton, Maryland. Office hours are between 8:00 a.m. and 4:30 p.m. Monday – Friday. A fee of \$35.00 is required for the zoning certificate. Each applicant is required to fill out the **entire** zoning certificate application and sign and date the bottom.

SITE PLAN CHECK LIST FOR PERMIT APPLICATIONS

- Submit (4) Site Plans showing the following:
 - DRAWN TO A STANDARD ENGINEERING SCALE OF 1"=10', 1"=20', 1"=50', ETC. WITH SCALE NOTED ON PLAN.
 - The site plan and all existing and proposed structures and improvements shall be drawn to the same scale.
 - Location and dimensions of all roads, easements, property lines and natural features.
- Setbacks from property boundary lines, shorelines, streams, and wetlands to the proposed structure(s).
- All structures shall be shown on site plans and be properly labeled in order to be accepted.
- The location of the existing septic system and the Sewage Disposal Area (SDA) if applicable. Include the location of the septic tank(s) and the location of the distribution system (tile fields & distribution box or dry well). *If the applicant is unclear as to the location of the SDA, the applicant may contact the Office of Environmental Health to review the records. If an approved SDA exists on site, both the SDA and septic system must be shown on the plan.*
- The location of the well, labeled as existing or proposed.
- The location of the driveway, labeled as existing or proposed.
- Pool equipment must be shown on site plan (permit application must state what type of pool is being constructed, example vinyl or concrete)
- Before the zoning certificate is approved a stakeout inspection will be completed by a county inspector to verify that the pool and pool decking placement complies with county setback requirements. After the stakeout inspection is

completed and approval is granted, the zoning certificate will be issued.

- A final inspection will be performed following completion of the pool and pool decking and any other related construction associated with the project. Contact the Department of Permits and Inspections at 410-770-6840 for this final inspection.
- Construction must begin within nine months and be completed within eighteen months.

NOTICE

Above ground pools on one (1) acre or less in size are required to be enclosed by a fence or wall measuring no less than four feet in height.

This brochure *may not* address all situations but is intended to provide general information for the permitting process.
