John per our conversations and bid submitted for the Talbot County Community Center. Sharp Energy would like to extend a fixed price for the winter for the location. The fixed pricing would be for the bulk deliver as well as for the zambonie tanks.					

There will be no charge for the fixed pricing as well as no specific gallon requirements.

The fixed price per the contract dates will be \$1.62 per gallon.

Please advice if this is an option you your like to take advantage of.

Thank you
