

Talbot County Office of Permits and Inspections
215 Bay Street, Suite 3
Easton, Maryland 21601

Phone: 410-770-6840

FAX: 410-770-6843

Generators and Fuel Tanks

Inspections can be scheduled by calling the Office of Permits and Inspections at 410-770-6840 between 8:00 a.m. and 3:30 p.m., Monday - Friday.

Inspections taken on or before 3:30 p.m. will be made the following business day, unless a later date is requested.

Required Inspections:

1. Zoning (stake-out) inspection *performed prior to permit issuance*
2. Excavation inspection (if applicable)
3. Rough-in Fuel Gas inspection
4. Final Fuel Gas inspection – a written certification on fuel line pressure test (30 lbs PSI for 10 minutes) shall be provided to inspector prior to this inspection; the certificate can be submitted by email to lschuyler@talbotcountymd.gov, faxed to 410-770-6843, mailed to address above or submitted to our office
5. Final Electrical inspection – contact the Middle Department Inspection Agency (M.D.I.A.) to schedule at 410-822-8300 (if applicable)
6. Final Building inspection *not to be performed until all work is complete*

The permit card and all other related documents, including site/construction plans, must be posted at the construction site.
