

HVACR Permitting

1st visit we need this information along with the HVACR permit application

- A copy of your State of Maryland HVACR license
- A photo copy of yourself (driver's license, etc.)
- Copy of certificate of liability insurance (must be received at time of first application) – please be sure the certificate is made out to:
Talbot County Permits & Inspections
28712 Glebe Road, Suite 1
Easton, MD 21601

Be sure that the certificate states the individual's name along with their company name

If applying for a HVAC permit, please be sure to have a copy of the Manual J and Duct Design (to scale)
