Proposed Activity: _____

Chapter 73, Forest Conservation, Section 73.3(B), of the *Talbot County Code* establishes a list of activities that are **Exempt** from the County’s Forest Conservation Ordinance, provided the applicant files a **Declaration of Intent** with the Department of Planning and Zoning assuring compliance with all requirements of the Forest Conservation Act. Based on information provided by the applicant, stating that the proposed activity will be for construction of a dwelling intended for the use of the owner or a member of the owner’s immediate family and, that the activity will not result in the cutting, clearing or grading of more than 20,000 square feet of forest, it is determined that the proposed activity is **Exempt** from the County’s Forest Conservation Ordinance.

In some cases, the Department of Planning and Zoning may require that the applicant include a sketch map of the property that shows any forest area to be cleared.

I hereby verify that the property will be used for the proposed activity stated above and that no regulated activity shall occur on the above-referenced property within five (5) years of the effective date of this Declaration of Intent.

I understand that:

- a. The conditions upon which this **Declaration** were granted may not be changed without approval by the Department of Planning and Zoning; and
- b. Any regulated activity, as defined by the Talbot County Forest Conservation Ordinance, that is not the subject of this **Declaration of Intent**, will require additional approval.
- c. Any subsequent transfer of ownership within this five (5) years period may result in a loss of exemption.

Notification of the Endangered Species Act

This development may contain, threatened or endangered species protected under the Endangered Species Act as amended. The U.S. Department of the Interior, Fish & Wildlife Service administers regulations designed to protect these threatened and endangered species and their habitats. As the applicant for this development activity, I understand that the final authority for all determinations concerning the effect of the development on these species and their habitat rests with the U.S. Department of the Interior, Fish & Wildlife Service. I also understand that county approval of this project does not exempt this project from obtaining all permits and approvals, which may be required by the U.S. Department of the Interior, Fish & Wildlife Service.
