Proposed Mitigation, Including Species/Caliber and Date Mitigation will be planted. Mitigation must be planted within six (6) months of tree removal/clearing of vegetation: _____

Applications for tree removals in the Chesapeake Bay Critical Area require a “Site Visit” by a Planning and Zoning Representative prior to approval. Trees to be removed must be clearly marked.

Certification: I certify that all the information contained in this application is true and correct, and understand that misrepresentation is grounds for denial. I understand that it is my responsibility to know and abide by applicable County and State laws governing the Chesapeake Bay Critical Area. Failure to comply with all County and State law will result in formal enforcement action by the Department of Planning and Zoning. This could include criminal prosecution, civil fines, show cause orders, injunctive or other appropriate relief including entry of a judgment for award of court costs, litigation expenses and reasonable attorney fees (*Talbot County Code, Chapter 58*). I understand the removal/cutting of vegetation within the Chesapeake Bay Critical Area before receipt of an approved permit is a violation of the *Talbot County Code*. I certify that I am authorized to make this application as the property owner or the owner’s authorized representative.
