400.4 INFORMATION SHARING

To the extent feasible, all information relevant to the mission of the Office should be shared among all divisions and specialized units on a timely basis. Members should be provided with pertinent updated information through electronic mailings and daily briefings as warranted.

Additionally, information should be shared with outside agencies and the public in conformance with office policies and applicable laws.

400.5 CROWDS, EVENTS AND GATHERINGS

Deputies may encounter gatherings of people, including, but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Deputies should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Deputies responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, deputies should consider seeking compliance through advisements and warnings for minor violations, and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Deputies are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety concerns.
