## OPTION AND SITE LEASE AGREEMENT

This **OPTION AND SITE LEASE AGREEMENT** (this “**Agreement**”) is effective the date of the last signature on this Agreement (the “**Effective Date**”) by and between TALBOT COUNTY, MARYLAND, a political subdivision of the State of Maryland (“**Landlord**”) and T-Mobile Northeast LLC, a Delaware Limited Liability Company with its principal office at 12920 SE 38th Street, Bellevue, WA 98006 (“**Tenant**”).

Landlord and Tenant agree to the following:

1. **Property Description.** Landlord is the owner of the real property located at 29137 Newman Road, Easton, Maryland 21601 as shown on Tax Map 25, Grid 17, Parcel 104, being further described on **Exhibit A** (the “**Property**”). The Property includes the premises which is comprised of approximately 208 square feet as , as described on **Exhibit B**, together with the non-exclusive right for ingress and egress, seven (7) days a week twenty-four (24) hours a day over or along a thirty foot (30’) wide right-of-way extending from the nearest public right-of-way, Corkran Road, and for the installation and maintenance of utility wires, poles, cables, conduits and pipes as further described herein (the “**Premises**”).
2. **Option.** Landlord grants to Tenant an option to lease the Premises on the terms and conditions described in this Agreement (the “**Option**”). The Option shall commence on the Effective Date and shall continue for a period of one (1) year (the “**Option Period**”). Tenant shall give Landlord written notice in the event Tenant decides to exercise the Option. The Option Period will be automatically extended for one (1) successive one (1) year period, unless prior to the expiration of the Option Period Tenant provides written notice to the Landlord of its election not to renew or exercise its Option. For the initial year of the Option Period and each subsequent Option Period, Tenant shall pay Landlord the non-refundable sum of one thousand and 00/100 dollars (\$1,000.00). Payment of the first \$1,000 shall be made within twenty (20) business days of the Effective Date for the first Option Period and payment of the second \$1,000 within ten (10) days of the automatic extension if applicable. Upon Tenant’s exercise of the Option, this Agreement will constitute a lease of the Premises on the terms and conditions described below (the “**Lease**”); provided, however, that Tenant acknowledges and agrees that Landlord must comply with the notice and comment requirements set forth in Local Government Article (“LG”) § 10-312, Md. Code Ann., prior to disposition of the Premises to Tenant under the terms and conditions of the Lease. Tenant further acknowledges and agrees that the Lease is expressly conditioned upon compliance with LG § 10-312 and that Landlord reserves the right to not approve the disposition if after receiving public comment, Landlord determines that such disposition is not in the public interest. Landlord acknowledges and agrees that upon receipt of Tenant’s timely written notice to exercise the Option, Landlord will promptly initiate its customary notice and comment process required by LG § 10-312.
3. **Landlord Cooperation.** During the Option Period and Term (as defined below), Landlord shall cooperate with Tenant’s due diligence activities, which shall include, but not be limited to, access to the Property for inspections, testing, permitting related to the Permitted Uses (as defined below). Landlord authorizes Tenant to file, submit and obtain all zoning, land use and other applications for permits, licenses and approvals required for the Permitted Uses from all applicable governmental and quasi-governmental entities (collectively, the “**Governmental Approvals**”). Landlord’s cooperation shall include the prompt execution and delivery of any documents necessary to obtain and maintain Government Approvals or utility services. Additionally, Landlord shall not take any actions which are in conflict with or interfere with Tenant’s Governmental Approvals.
4. **Antenna Facilities and Permitted Uses.** Tenant leases the Premises for its equipment, personal property and improvements associated with Tenant’s wireless communications business (the “**Antenna Facilities**”). The Premises may be used for the construction, installation, operation, maintenance, repair, addition,

upgrading, removal or replacement of any and all Antenna Facilities (the "Permitted Uses") for no fee or additional consideration. The Antenna Facilities shall remain the exclusive property of Tenant and shall not be considered fixtures. Tenant, at its expense, may use any and all reasonable means as Tenant deems necessary to control, secure or restrict access to the Antenna Facilities. If necessary to maintain service, Tenant shall have the right to seek Landlord's approval to locate a cell-on-wheels, or other temporary antenna facility on the Property, which approval shall not be unreasonably withheld. Landlord shall cooperate with the placement of any duly approved temporary facility at a mutually acceptable location.

## 5. Lease Term.

a) The Initial Term of the Lease shall be five (5) years commencing on the date of Tenant's exercise of the Option (the "Commencement Date"), and ending at 11:59 p.m. on the day immediately preceding the fifth (5<sup>th</sup>) anniversary of the Commencement Date (the "Initial Term"). The Initial Term, together with any Renewal Terms and Extended Periods are referred to collectively as the "Term."

b) The Initial Term shall automatically renew for five (5) successive renewal terms of five (5) years each (each a "Renewal Term"), provided, however, that Tenant may elect not to renew by providing written notice prior to the expiration of the then current Term.

c) Upon the expiration of the final Renewal Term, Tenant shall have the right to continue to occupy the Premises and the Term shall automatically extend for successive one (1) year periods (each, an "Extended Period"). Landlord may terminate the renewal of any Extended Period by delivery of notice at least six (6) months prior to the end of the then current Extended Period. Tenant may terminate any Extended Period at any time by delivery of notice to Landlord.

## 6. Rent/Other Charges.

a) Upon the Commencement Date, Tenant shall pay Landlord rent in the amount of one thousand Dollars (\$1,000.00) per month (the "Rent"). Tenant shall deliver Rent to Landlord at the address specified in Section 15, or by electronic payment. The first Rent payment shall be due within twenty business (20) days after the Commencement Date. Subsequent Rent shall be payable by the fifth day of each month.

b) The Rent shall be increased annually by three percent (3%) on each anniversary of the Commencement Date. The Rent shall continue to be paid on a monthly basis. The Rent for each Extended Period shall be an amount equal to one hundred three percent (103%) of the Rent for the immediately preceding Term.

c) Rent for any partial month shall be prorated on a per day basis, based on the number of days in the month in question. Landlord shall cooperate with Tenant regarding the use of any electronic rent payment systems or the provision of any associated documentation. Tenant may condition payment of Rent and any other sums payable under this Agreement upon Tenant's receipt of a duly completed IRS form W-9, or similar governmental form.

7. Interference. Tenant agrees to install equipment of the type and frequency which will not cause harmful interference which is measurable in accordance with then existing industry standards to (a) any equipment of Landlord, whenever it may be placed upon the Property, provided that such equipment is in compliance with Federal Communications Commission non-interference rules and used in accordance with the manufacturer's specifications, or (b) any equipment of any other tenants of the Property which existed on the Property prior to the date this Agreement is executed by the Parties. If Landlord provides Tenant with written notice of such interference believed to be caused by Tenant's equipment or Tenant's operations at the Premises, Tenant shall

take immediate steps to investigate such claim. If a qualified radio frequency engineer of Landlord, or other suitable technician approved Landlord and Tenant, determines or confirms that either Tenant's equipment or Tenant's operations at the Premises is causing the interference, Tenant shall promptly eliminate such interference within fifteen (15) days after such determination or suspend its operations, or use of the equipment, causing the interference at the Premises (except for intermittent testing at times reasonably acceptable to Landlord to determine compliance with this provision) until the interference is corrected. Landlord agrees that any other tenants of the Property who currently have or in the future take possession of the Property will be permitted to install only such equipment that is of the type and frequency which will not cause harmful interference which is measurable in accordance with then existing industry standards to the then existing equipment of Tenant. The parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.

#### **8. Utility Services.**

a) Tenant shall have the right to connect to, maintain, repair, upgrade, remove or replace existing utility related equipment and shall have the right to install new utility related equipment to service its Antenna Facilities, or cell-on-wheels on, or serving the Property (collectively, the "Utility Facilities").

b) Tenant shall be responsible for all utilities charges for electricity, or any other utility service used by Tenant on the Premises. Tenant may install separate meters for Tenant's utility usage.

#### **9. Access.**

a) Landlord shall furnish, at no additional charge to Tenant, unimpeded access to the Premises on a 24-hours-a-day, 7-days-a-week basis to Tenant and Tenant's employees, agents, contractors and other designees.

b) Landlord grants Tenant, at no additional Rent or charge, the non-exclusive right on, over, under and across the Property from the nearest public right-of-way, Corkran Road, for ingress, egress, communications, power and other utilities, construction, demolition and access to the Premises and any Utility Facilities.

**10. Termination.** Tenant may terminate this Agreement without further liability, upon thirty (30) days prior written notice to Landlord, for any of the following reasons: (i) changes in local or state laws or regulations which adversely affect Tenant's ability to operate; (ii) a Federal Communications Commission ("FCC") ruling or regulation that is beyond the control of Tenant; (iii) technical or economic reasons; or (iv) if Tenant is unable to obtain any Governmental Approval required for the construction or operation of Tenant's Antenna Facilities. Upon ninety (90) days prior written notice to Landlord, Tenant may terminate this Agreement for any or no reason.

**11. Casualty and Condemnation.** In the event of damage by fire or other casualty to the Premises or Antenna Facilities that cannot reasonably be expected to be repaired within 45 days following same, or if the damage is such that it may reasonably be expected to disrupt Tenant's operations at the Premises for more than 45 days, then, if such fire or other casualty was not caused by Tenant, Tenant may terminate this Agreement upon 15 days prior written notice to Landlord. Notwithstanding the foregoing, provided the Tenant did not cause the fire or other casualty, the rent shall abate during the period of repair following such fire or other casualty in proportion to the degree to which Tenant's use of the Premises is impaired. If the Premises or Antenna Facilities, or any portion thereof, are taken or condemned by power of eminent domain or other governmental taking, then, Tenant shall have option of terminating this Agreement or continuing, to the extent possible, in which event rent shall abate in proportion to the degree to which Tenant's use of the Premises and/or Antenna Facilities is impaired.

Tenant may on its own behalf make a claim in any condemnation proceeding involving the Premises for losses related to the equipment, conduits, fixtures, its relocation costs and damages (but not for loss of its leasehold interest).

**12. Default and Right to Cure.** A party shall be deemed in default under this Agreement if it fails to make any payment, or to perform any obligation required of it within any applicable time period specified and does not commence curing such breach within thirty (30) days after receipt of written notice of such breach from the non-defaulting party ("**Default**"). This Agreement, or Tenant's rights of possession shall not be terminated due to any Tenant Default unless: (a) the Default is material; and, (b) Landlord shall have given Tenant not less than thirty (30) days prior written notice, after the expiration of the cure period described above, and Tenant fails to cure or commence the cure of such Default within the second thirty (30) day notice period.

**13. Taxes.** Tenant shall have the responsibility to pay any personal property, real estate taxes, assessments, or charges owed on the Property as a result of Tenant's use of the Premises and/or the installation, maintenance, and operation of the Tenant's improvements, and any sales tax imposed on the rent (except to the extent Tenant is or may become exempt from the payment of sales tax in the jurisdiction in which the Property is located), including any increase in real estate taxes at the Property which Landlord demonstrates arises from Tenant's improvements and/or use of the Premises. Notwithstanding the foregoing, Tenant shall not have the obligation to pay any tax, assessment, or charge that Tenant is disputing in good faith in appropriate proceedings prior to a final determination that such tax is properly assessed provided that no lien attaches to the Property. Tenant shall have the right, at its sole option, cost, and expense, to appeal, challenge or seek a modification of any tax assessment or billing for which Tenant is wholly or partly responsible for payment. In the event that as a result of any appeal or challenge by Tenant, there is a reduction, credit or repayment received by the Landlord for any taxes previously paid by Tenant, Landlord agrees to promptly reimburse to Tenant the amount of said reduction, credit or repayment. Landlord (solely in its capacity as the fee simple owner of the Property, and not in any way in its capacity as a governmental authority, as determined in Landlord's sole reasonable discretion) agrees to reasonably cooperate with Tenant, at Tenant's sole cost and expense, to ensure Tenant can file and prosecute any such appeal, challenge or sought modification.

**14. Insurance and Subrogation and Indemnification.**

a) During the Term, Tenant and Landlord each shall maintain Commercial General Liability Insurance in amounts of One Million and no/100 Dollars (\$1,000,000.00) per occurrence and Two Million and no/100 Dollars (\$2,000,000.00) aggregate. Each party may satisfy this requirement by obtaining the appropriate endorsement to any master insurance policy such party may maintain. Tenant and Landlord shall each maintain "all risk" or "special causes of loss" property insurance on a replacement cost basis for their respectively owned real or personal property.

b) Landlord and Tenant hereby mutually release each other (and their successors or assigns) from liability and waive all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of an insured loss, neither party's insurance company shall have a subrogated claim against the other party.

c) Subject to the provisions and limitations of the Maryland Tort Claims Act and without waiver of sovereign immunity and subject to property insurance waivers set forth in the preceding subsection (b), Landlord and Tenant each agree to indemnify and hold harmless the other party from and against any and all administrative and judicial actions and rulings, claims, causes of action, demands and liabilities, including reasonable attorneys' fees, to the extent caused by or arising out of: (i) any negligent acts or omissions or willful misconduct in the operations or activities on the Property by the indemnifying party or the employees, agents, contractors, licensees, tenants or subtenants of the indemnifying party, or (ii) any spill or other release of any

Hazardous Substances (as defined below) on the Property by the indemnifying party or the employees, agents, contractors, licensees, tenants or subtenants of the indemnifying party. The indemnifying party's obligations under this subsection are contingent upon its receiving prompt written notice of any event giving rise to an obligation to indemnify the other party and the indemnified party's granting it the right to control the defense and settlement of the same.

d) The provisions of subsections (b) and (c) above shall survive the expiration or termination of this Agreement.

**15. Notices.** All notices, requests, demands and other communications shall be in writing and shall be effective three (3) business days after deposit in the U.S. mail, certified, return receipt requested or upon receipt if personally delivered or sent via a nationally recognized courier to the addresses set forth below. Landlord or Tenant may from time to time designate any other address for this purpose by providing written notice to the other party.

**16. Quiet Enjoyment, Title and Authority.** Landlord covenants and warrants that: (a) Landlord has full right, power and authority to execute and perform this Agreement and to grant Tenant the leasehold interest contemplated under this Agreement; (b) Landlord has good and unencumbered title to the Property, free and clear of any liens or Mortgages (defined below) which shall interfere with Tenant's Lease or any rights to or use of the Premises; (c) the execution and performance of this Agreement shall not violate any laws, ordinances, covenants, or the provisions of any Mortgage, lease, or other agreement binding on Landlord; (d) Tenant's use and quiet enjoyment of the Premises shall not be disturbed; and (e) Landlord shall be responsible, at its sole cost and expense, for maintaining all portions of the Property in good order and condition and in compliance with all applicable laws, including without limitation, the roof, any support structure owned by Landlord, HVAC, plumbing, elevators, landscaping and common areas.

**17. Environmental Laws.** Landlord and Tenant shall comply with all federal, state and local laws in connection with any substances brought onto the Property that are identified by any law, ordinance or regulation as hazardous, toxic or dangerous (collectively, the "**Hazardous Substances**"). Tenant agrees to be responsible for all losses or damage caused by any Hazardous Substances that it may bring onto the Property and will indemnify Landlord for all such losses or damages. Landlord agrees to be responsible for all losses or damage caused by any Hazardous Substances on or entering the Property, except those brought onto the Property by Tenant, and will indemnify Tenant for all such losses or damages including the cost of any investigation or remediation, or other actions required to comply with applicable law.

**18. Assignment.**

a) Tenant shall have the right to assign, sublease or otherwise transfer this Agreement, upon written notice to Landlord, to any person or business entity which: (i) is a parent, subsidiary, or affiliate of Tenant or Tenant's parent; (ii) is merged or consolidated with Tenant; and/or (iii) acquires more than fifty percent (50%) of either an ownership interest in Tenant or the assets of Tenant in the "Metropolitan Trading Area" or "Basic Trading Area" (as those terms are defined by the FCC) in which the Property is located. All other assignments, subleases or otherwise transfer require approval of Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. Tenant shall be relieved of all liabilities and obligations and Landlord shall look solely to the transferee for performance under this Agreement, provided that Tenant is not in default and transferee, on behalf of itself and its heirs, successors and assigns, agrees to be bound by all provisions of this Agreement. Upon receipt of a written request from Tenant, Landlord shall promptly execute an estoppel certificate.

b) Landlord shall have the right to assign and transfer this Agreement only to a successor owner of the Property. Only upon Tenant's receipt of written verification of a sale, or transfer of the Property shall Landlord be relieved of all liabilities and obligations and Tenant shall look solely to the new landlord for performance under this Agreement. Landlord shall not attempt to assign, or otherwise transfer this Agreement separate from a transfer of ownership of the Property (the "**Severance Transaction**"), without the prior written consent of Tenant, which consent may be withheld or conditioned in Tenant's sole discretion. If Tenant consents to a Severance Transaction, Landlord and its successors and assigns shall remain jointly and severally responsible for the performance of all duties and obligations of the Landlord under this Agreement.

**19. Relocation.** Landlord must provide Tenant at least (3) months advanced written notice of any repairs, maintenance or other work (the "**Work**") during the Term of the Lease which would require the relocation of the Antenna Facilities. Landlord agrees that the Work will not interfere with or alter the quality of the services provided by the Antenna Facilities. Landlord will reimburse Tenant for all expenses incurred by Tenant required to accommodate the Work.

**20. Marking and Lighting Requirements.** If any tower or other support structure for Tenant's Antenna Facilities is owned by Landlord, Landlord acknowledges that Landlord shall be responsible for compliance with all marking and lighting requirements of the Federal Aviation Administration and the FCC. Landlord shall indemnify and hold Tenant harmless from any fines or other liabilities caused by Landlord's failure to comply with these requirements.

**21. Miscellaneous.**

a) The prevailing party in any litigation or other legal proceedings arising under this Agreement (including any appeals and any insolvency actions) shall be entitled to reimbursement from the non-prevailing party for reasonable attorneys' fees and expenses.

b) This Agreement constitutes the entire agreement and understanding of the parties, and supersedes all offers, negotiations and other agreements with respect to the subject matter and Property. Any amendments to this Agreement must be in writing and executed by both parties.

c) At Landlord's option, this Agreement shall be subordinate to any future master lease, ground lease, mortgage, deed of trust or other security interest (a "Mortgage") by Landlord which from time to time may encumber all or part of the Property or right-of-way; provided, however, as a condition precedent to Tenant being required to subordinate its interest in this Agreement to any future Mortgage covering the Property, Landlord shall obtain for Tenant's benefit a non-disturbance and attornment agreement for Tenant's benefit on the lender's commercially reasonable form, which shall recognize Tenant's right to remain in occupancy of and have access to the Premises as long as Tenant is not in default of this Agreement beyond applicable notice and cure periods.

d) This Agreement shall be construed in accordance with the laws of the state or territory in which the Property is located, without regard to the principles of conflicts of law.

e) If any term of this Agreement is found to be void or invalid, the remaining terms of this Agreement shall continue in full force and effect. Any questions of particular interpretation shall be interpreted as to their fair meaning.

f) Each party hereby represents and warrants to the other that this Agreement has been duly authorized, executed and delivered by it, and that no consent or approval is required by any lender or other person or entity in connection with the execution or performance of this Agreement.

g) If either party is represented by any broker or any other leasing agent, such party is responsible for all commission fee or other payment to such agent.

h) This Agreement shall extend to and bind the heirs, successors and assigns of the Parties hereto.

i) This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute a single instrument. Signed facsimile and electronic copies of this Agreement shall legally bind the Parties to the same extent as original documents.

j) Except for indemnification as provided in this Agreement, neither Party shall be liable to the other, or any other of their respective agents, representatives, employees for any lost revenue, lost profits, loss of technology, rights or services, incidental, punitive, indirect, special or consequential damages, loss of data, or interruption or loss of use of service, even if advised of the possibility of such damages, whether under theory of contract, tort (including negligence), strict liability or otherwise.

k) Tenant shall, upon expiration of the Term, or within ninety (90) days after any earlier termination of the Agreement, remove its improvements, antenna structure(s), equipment, conduits, fixtures and all personal property and restore the Premises to its original condition, reasonable wear and tear and casualty damage excepted. Landlord agrees and acknowledges that all of the equipment, conduits, fixtures and personal property of Tenant shall remain the personal property of Tenant and Tenant shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable laws. If such time for removal causes Tenant to remain on the Premises after termination of this Agreement, Tenant shall pay rent at the then existing monthly rate or on the existing monthly pro-rata basis if based upon a longer payment term, until such time as the removal of the building, antenna structure, fixtures and all personal property are completed.

l) Landlord agrees to execute a Memorandum of this Agreement which Tenant may record in the appropriate land records. The date set forth in the Memorandum of Lease is for recording purposes only and bears no reference to commencement of either the Term or rent payments.
