In accordance with the requirements of the Talbot County Charter, the County Council of Talbot County is proposing the following County Current Expense Budget and Capital Budget & Program for the fiscal year July 1, 2016 through June 30, 2017 (FY 2017). The Annual Budget and Appropriation Ordinance was introduced by legislative action of the Talbot County Council on April 12, 2016 and is to be passed on May 24, 2016.

The FY 2017 Proposed Current Expense Budget totals \$79,165,000, which represents an increase of 0.67 percent, or \$525,000, from the FY 2016 Approved Budget. Public Safety is a priority in this budget. This budget increases funding for Public Safety; adding 7 new dispatcher positions for the 911 Center to complete the merger of the County and Town of Easton's dispatch centers in order to provide more efficient service to the citizens of the County. The Proposed Budget provides for a salary increase (Step) for full time County employees effective July 1, 2016. The Talbot County Public Schools (TCPS) is funded above the mandated maintenance of effort level. Additionally this budget provides the TCPS with \$125,000 for expenses not included in maintenance of effort. Total funding for the public schools, including annual debt service obligations for prior year school building improvement projects and pension costs, totals \$40.0 million and represents 50.5 percent of the total General Fund budget. In broad terms, the increase in the Proposed Expense Budget is comprised of the following:

Public Safety	\$1,015,072	6.71%↑
Public Schools	409,337	1.03%↑
County Roads	70,086	2.63%↑
Health Services	0	0.00%↑
Transfer to OPEB Trust	-1,000,000	-100.00%↓
All Other County Operating	<u>30,505</u>	<u>0.15%↑</u>
Total Change	525,000	0.67%↑

Projected operating revenues total \$76,814,000; therefore, \$2,156,000 of General Fund reserves and \$195,000 of Development Impact Funds are required to balance the budget. There is still fiscal uncertainty for the future, particularly for Income Tax revenue stability. Recordation and Transfer taxes are expected to increase modestly in FY 2017. The graphs on the next page summarize the distribution of revenues and expenses by major categories.

Property Tax revenues are projected to generate \$36.0 million, or 45.5 percent of total operating revenues. The revenue estimate is based on a Real Property Tax rate of \$.5451 per \$100 of assessed valuation for properties located outside of the incorporated limits of the Towns of Easton, Oxford, Queen Anne, St. Michaels and Trappe. This rate is \$0.0091 more than the current County Property Tax rate and includes a \$0.0066 Education Supplement. The County Council is continuing to grant tax differentials to the incorporated towns in FY 2017. The tax rate differential for each town will be as follows: Easton, \$.1329; Oxford, \$.1169; Queen Anne, \$.0609; St. Michaels, \$.1269; and Trappe, \$.0979. The total estimated County real property base subject to the tax levies is \$7,064,263,037.

The local Income Tax, based on a rate 2.40% of Maryland Taxable Income, is projected to generate \$26,000,000, or 32.8 percent of total operating revenues.

A Statement of General Fund Long-Term Debt Outstanding is included in this document as well as a schedule of Debt Service Requirements for the upcoming year. In FY 2017, annual debt service payments will equal 6.0 percent of projected General Fund revenues.

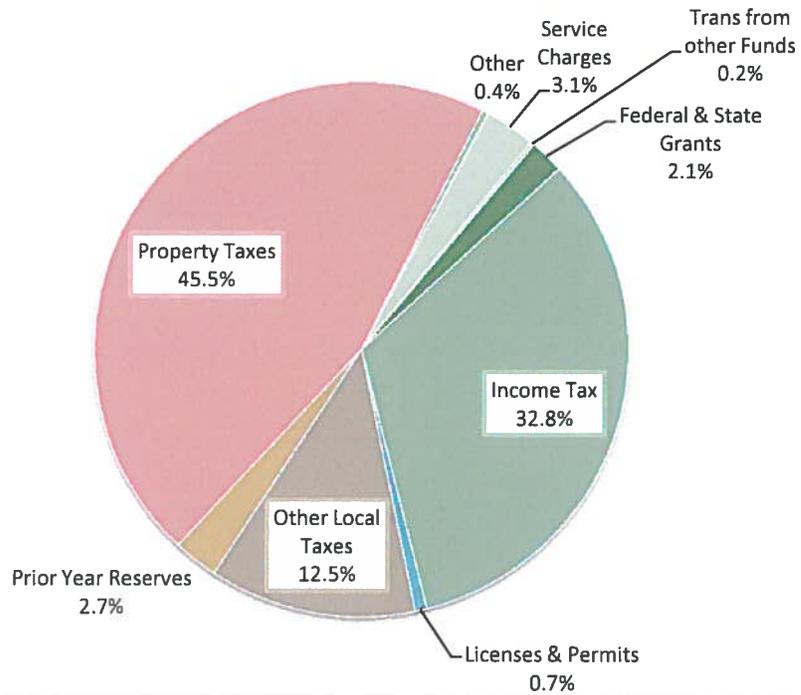

The Proposed Capital Budget for FY 2017 totals \$4,015,000 – (\$2,100,000 from Federal and State Grants, and \$1,915,000 from Capital Fund reserves).

Other FY 2017 Operating and Capital Budgets presented in this document include the Development Impact Fund, Grants & Special Revenues Fund, Talbot County Community Center, Hog Neck Golf Course, Sanitary Districts, Easton Airport and the Talbot Family Network.
