

Long-Term Care Facility PERFORMANCE SNAPSHOT

Mid-Shore Nursing Home Quality Overview

Caroline, Dorchester, Kent, Queen Anne's, and Talbot Counties

Selecting a nursing home or rehabilitation facility is an important decision for individuals and families. To support informed choices, the Talbot County Commission on Aging has compiled publicly available quality ratings for skilled nursing facilities serving the Mid-Shore region.

Ratings are based on data from the [Centers for Medicare & Medicaid Services](#) Five-Star Quality Rating System, available through [Medicare Care Compare](#). *The Commission on Aging does not rank or endorse facilities and encourages individuals to consider multiple factors when making care decisions.*

How Facilities Are Evaluated

Inspections:

Unannounced
inspections conducted
every 12–15 months

Surveys: Include
standard recertification
reviews and complaint
investigations

Understanding the Ratings

★★★★★ **Much Above Average** – Top performance
across inspections, staffing, and quality

★★★★ **Above Average** – Better than average quality

★★★ **Average** – Typical performance

★★ **Below Average** – Below average quality

★ **Much Below Average** – Consistent deficiencies or
serious issues

This symbol indicates that this nursing home has been cited for abuse. Abuse is defined as the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, pain or mental anguish. It includes verbal abuse, sexual abuse, physical abuse, and mental abuse.
