Talbot County Council Meetings to be held Virtually in January

Due to the high community transmission rate of COVID in Talbot County, and at the recommendation of Dr. Maria Maguire, Talbot County Health Officer, the Talbot County Council will be holding their January 11 and January 25, 2022 meetings virtually.

The public is encouraged to view the meetings which will be held via WebEx events. Access information for the County Council meeting can be found on the County webpage: [Talbot County Meeting Videos - Talbot County, Maryland \(talbgov.org\)](https://talbotcountymd.gov/CountyMeetingVideos)

Additionally, effective January 4, 2022, masks will be required for all County employees and visitors while in County buildings. This falls in line with Governor Hogan's declaration of January 3, 2022 mandating masks for employees and visitors in all State buildings.

The need for additional virtual meetings will be re-evaluated at the end of January. For more information, call the County Manager's Office at (410) 770-8010.
