In accordance with the requirements of the Talbot County Charter, the County Council of Talbot County is proposing the following County Current Expense Budget and Capital Budget & Program for the fiscal year July 1, 2019 through June 30, 2020 (FY 2020). The Annual Budget and Appropriation Ordinance was introduced by legislative action of the Talbot County Council on April 16, 2019 and is expected to be adopted on May 21, 2019.

The FY 2020 Proposed Current Expense Budget totals \$91,913,000, which represents a decrease of .0137 percent, or \$125,750, from the FY 2019 Approved Budget. Public Safety continues to be a priority for the County. This budget increases funding for Public Safety and includes salary adjustments for Sheriff Deputies and Correctional Officers to address recruitment and retention issues. The Proposed Budget provides for a salary increase (Step) and a 1% Cost of Living Adjustment (COLA) for full time County employees effective July 1, 2019. The total number of approved full time positions remains the same as in FY 2019.

The Talbot County Public Schools (TCPS) is funded at \$936,330 above the mandated maintenance of effort level – providing the TCPS with an additional \$1,844,227 in operating funds from the County. Additionally this budget provides the TCPS with \$409,170 for expenses not included in maintenance of effort. Total funding for the public schools, including annual debt service obligations for prior year school building improvement projects and new debt service on the Easton Elementary School project, totals \$45.8 million and represents 49.8 percent of the total General Fund budget. In broad terms, the change in the Proposed Expense Budget is comprised of the following:

Public Schools	\$2,513,061	5.80%↑
Public Safety	1,110,500	5.44%↑
County Roads	-214,906	6.07%↓
Library	82,549	6.17%↑
Health Services	100,000	4.15%↑
Transfer to Capital Projects Fund	-4,205,000	100.00%↓
All Other County Operating	488,046	2.90%↑
Total Change	-125,750	0.0137%↓

Projected operating revenues total \$87,249,540; therefore, \$3,963,460 of General Fund reserves, \$200,000 of Development Impact Funds and \$500,000 from the OPEB Trust fund are required to balance the budget. There is still fiscal uncertainty for the future, particularly for Income Tax revenue stability. Recordation and Transfer taxes are expected to remain constant in FY 2020. The graphs on the next page summarize the distribution of revenues and expenses by major categories.

Property Tax revenues are projected to generate \$43.6 million, or 47.5 percent of total operating revenues. The revenue estimate is based on a Real Property Tax rate of \$.6322 per \$100 of assessed valuation for properties located outside of the incorporated limits of the Towns of Easton, Oxford, Queen Anne, St. Michaels and Trappe. This rate is \$.0261 more than the current County Property Tax rate and includes a \$.018 Education Supplement. The County Council is continuing to grant tax differentials to the incorporated towns in FY 2020. The tax rate differential for each town will be as follows: Easton, \$.133; Oxford, \$.118; Queen Anne, \$.0601; St. Michaels, \$.127; and Trappe, \$.098. The total estimated County real property base subject to the tax levies is \$7,324,754,543.

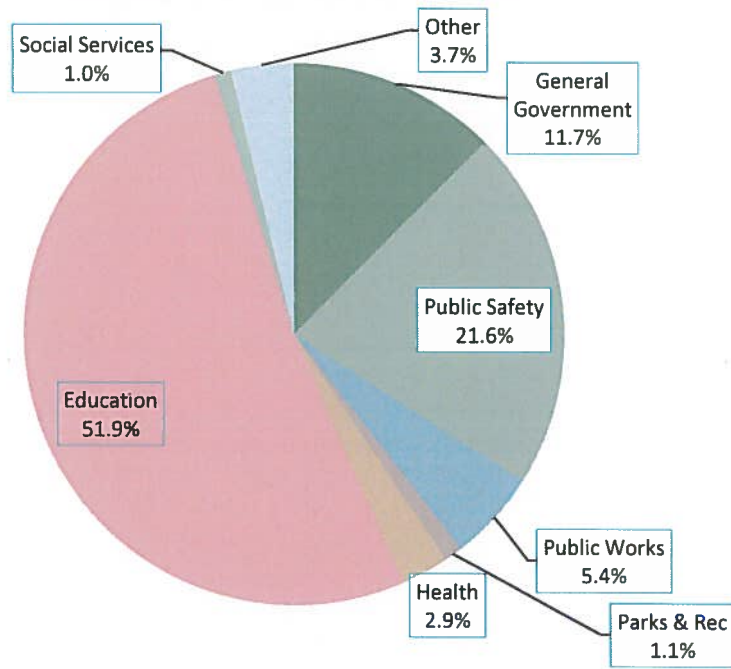

The local Income Tax, based on a rate of 2.40% of Maryland Taxable Income, is projected to generate \$26,500,000, or 28.8 percent of total operating revenues.

A Statement of General Fund Long-Term Debt Outstanding is included in this document as well as a schedule of Debt Service Requirements for the upcoming year. In FY 2020, annual debt service payments will equal 5.7 percent of projected General Fund revenues.

The Proposed Capital Budget for FY 2020 totals \$14,250,000 – (\$13,000,000 from proceeds from Long Term Borrowing, \$250,000 from Federal and State Grants, \$200,000 from Development Impact Fees and \$800,000 from Capital Fund reserves).

Other FY 2020 Operating and Capital Budgets presented in this document include the Development Impact Fund, Grants & Special Revenues Fund, Talbot County Community Center, Hog Neck Golf Course, Sanitary Districts, Easton Airport and the Talbot Family Network.

R. Andrew Hollis, County Manager

Sanitary District Rate Definitions

Service Charge: Current usage charge for sanitary system services.
Billed quarterly.

Benefit Charge: Capital improvements charge that is earmarked to pay for capital repairs and upgrades at the County's wastewater treatment facilities.
Billed quarterly except in St. Michaels, where it is billed annually.

Ready-to-Serve Charge: Hook-up, or tie-in, fee for new sanitary service. One-time charge. * In Districts #1 and #2, \$10,000 for lots that have previously paid Benefit Charges; \$12,000 for lots that have not.

System Expansion Charge: One-time charge set aside for capital projects designed to expand the County's wastewater treatment capacity.

Bay Restoration Fee: Funding to upgrade the State's wastewater treatment plants and onsite septic systems to reduce the amounts of nitrogen and phosphorus discharged into the Chesapeake Bay. Collected on behalf of the State of Maryland. Septic users are billed on their property tax bills.
